To the attention of the Chair of the Caithness Area Committee

Cllr Gunn,

In line with the Dounreay Stakeholder Group's Terms of Reference, the membership of the DSG is reviewed annually with attendance for all members (both appointed and adopted) published by the Secretariat.

We wish to inform the local authority that one of its appointed Members, Cllr Rosie, has not attended a Full Meeting or associated Sub-Group of the DSG in the last calendar year. As a result, membership for the Highland Council's second seat has automatically lapsed.

The Dounreay Stakeholder Group therefore request that the Highland Council reappoint a member as soon as possible.

The DSG acts as a voice for the community and we wish to impress the importance of the forum in influencing socio-economic activity in the region, holding the site operators and the Nuclear Decommissioning Authority to account and staying abreast of developments at the Far North's largest employer. It is an appointment that should be entered into with genuine commitment and interest.

It would be appreciated if the Council would inform the Secretariat of the Council's representative as soon as it is known.

Regards,
